

Dear Supporters,

The Richland County Sheriff's Department "Kidprint" program provides parents with a copy of their child's fingerprints, identification picture and their child's statistical information, which could be used during an emergency situation. Sponsored by the Richland County Sheriff's Foundation, this program is offered free of charge to Community Groups, Schools, Churches and other organizations.

Every year the Sheriff's Department prints hundreds of kids in counties throughout the state, which provides another tool available to assist our officers and communities in an effort to identify and locate our children.

Thank you for your support, RCSF
