

# Business Safety Tips

***To keep you and your employees safe!***

**1**

## ***Make The Call***

Report all suspicious people and vehicles to RCSD. Nothing is too small to be reported. If you SEE something, SAY something!

**2**

## ***Evaluate The Outside***

Trim trees, bushes and hedges around your business. Don't give thieves a place to lurk unseen. Secure and lock doors and windows.

**3**

## ***Get An Alarm***

Activate your alarm and know how to use it. Ensure that the alarm company has an updated contact and phone number for after hours activations.

**4**

## ***Light Up Your Area***

Having a well-lit parking lot can deter crime. Good lighting can also improve quality of surveillance footage.

**5**

## ***Get Cameras***

Cameras are vital in today's world. They help with security to prevent crime and help solve crime after it happens. Know your system and how to download footage.

**6**

## ***Take It Down***

Do not cover windows with ads or shelves. Employees should be able to see outside if possible to watch for suspicious activity.

**7**

## ***Use Our Resources***

Have a security assessment done for your business. Contact your CAT representative to schedule an appointment!

5623 Two Notch Road  
Columbia, SC
